Re: FPPC File No. 09/880; Dean Grafilo

Dear Mr. Grafilo:

On December 16, 2009, the Enforcement Division of the Fair Political Practices Commission sent a letter to you alleging that you failed to disclose certain gifts on your 2008 Annual Statement of Economic Interests. We have now received your response.

In our letter, we advised you that you failed to disclose gift tickets given to members of your family from AT&T, Inc., and its Affiliates. In your response of January 7, 2010, you advised us that at the time the gifts were received by your dependent children, you were not yet required to disclose the gifts on your statement. In a telephone conversation, you informed me that you have since left state service. If in the future you return to public service, note that gifts to members of your immediate family may, in certain circumstances, be gifts to you. (Regulation 18944.)

Based on your explanation, we are closing this case with no further action. If you have any questions, you may contact me at (916) 322-8194.

Sincerely,

REDACTED
